A promotional banner for Applied Physics Reviews. The background is a dark blue gradient with a bright light source on the right, creating a lens flare effect. On the left, there is a small inset image of a book cover for 'Applied Physics Reviews' featuring a diagram of a layered structure. The main text 'NEW Special Topic Sections' is in large, white, bold font. Below it, 'NOW ONLINE' is in yellow, followed by 'Lithium Niobate Properties and Applications: Reviews of Emerging Trends' in white. The AIP Applied Physics Reviews logo is in the bottom right corner.
